

## Exhaust Adapters and Flanges

Originally designed for the 14 degree Pro Action SBC, but will fit on 18 or 15 degree Chevy heads as well. Adapters are made from 1/2" 6061 Aluminum, flanges are 1/4" 1018 Cold Rolled Steel. Adapters have a notch to clear the valve cover and bolts are positioned to clear the spark plugs

**Adapters - \$100.00**

**Flanges - \$100.00**

**Adapters and flanges together - \$175.00:**

**Adapters can be matched to cylinder head- labor only \$175\***

**\*\*\*\*\*Other models now available\*\*\*\*\***
